If your electricity is ever interrupted, you must use only battery-operated lighting. If any utilities are submetered for the apartment, or prorated by an allocation formula, we will attach an addendum to this Lease Contract.

8. INSURANCE. We do not maintain insurance to cover your personal property or personal injury. We are not responsible to any resident, guest, or occupant for damage or loss of personal property or personal injury from (including but not limited to) fire, smoke, rain, flood, water and pipe leaks, hail, ice, snow, lightning, wind, explosions, earthquake, interruption of utilities, theft, hurricane, negligence of other residents, occupants, or invited/uninvited guests or vandalism unless otherwise required by law.

In addition, we urge all residents, and particularly those residing in coastal areas, areas near rivers, and areas prone to flooding, to obtain flood insurance. Renter's insurance may not cover damage to your property due to flooding. A flood insurance resource which may be available includes the National Flood Insurance Program managed by the Federal Emergency Management Agency (FEMA). We do not require you to get your own insurance for losses to your personal property or injuries due to theft, fire, water damage, pipe leaks and the like. If renter's insurance is required, you shall maintain at all times during the Term of this Lease, at your sole expense, a renter's insurance policy, or its equivalent, issued by a licensed insurance company in a minimum policy coverage amount of \$ 50000.00, and you shall provide us with proof of such insurance to our satisfaction. If no box is checked, renter's insurance is not required.

Additionally, you are [check one] required to purchase personal liability insurance not required to purchase personal liability insurance. If no box is checked, personal liability insurance is not required. 9. LOCKS AND LATCHES. Keyed lock(s) will be rekeyed after the prior resident moves out. The rekeying will be done before you move into your apartment.

You have been given an opportunity to inspect the apartment and agree that all doors, windows and other access points are able to lock and are secure. If you notice that any door, window or other

access point is unable to lock, you must notify us in writing. You may at any time ask us to change or rekey locks or latches during the Lease Term. We must comply with those requests, but you must pay for them, unless otherwise provided by law.

Payment for Rekeying, Repairs, Etc. You must pay for all repairs or replacements arising from misuse or damage to devices by you or your occupants, or guests during your occupancy. You may be required to pay in advance if we notify you within a reasonable time after your request that you are more than 30 days delinquent in reimbursing us for repairing or replacing a device which was misused or damaged by you, your guest or an occupant; or if you have requested that we repair, install, change or rekey the same device during the 30 days preceding your request and we have complied with your request. Otherwise, you must pay immediately after the work is completed.

Special Provisions and “What If” Clauses

10. SPECIAL PROVISIONS. The following special provisions and any addenda or written rules furnished to you at or before signing will become a part of this Lease Contract and will supersede any conflicting provisions of this printed lease form.

See Additional Special Provisions

See any additional special provisions.

11. EARLY MOVEOUT. Unless modified by an addendum, if you:

- (1) move out without paying rent in full for the entire lease term or renewal period; or
- (2) move out at our demand because of your default; or
- (3) are judicially evicted;

you will be liable for all rent owed at the time and as it become due under the terms of your lease agreement until the apartment is re-rented.

It is agreed that once the Apartment Lease Contract is executed it may not be cancelled without express written consent of the Owner. It is the intent that the agreement be binding immediately upon execution.

12. REIMBURSEMENT. You must promptly reimburse us for loss, damage, government fines, or cost of repairs or service in the apartment community due to violation of the Lease Contract or rules, improper use, or negligence by you or your guests or occupants.

Unless the damage or wastewater stoppage is due to our negligence, we’re not liable for—and you must pay for—repairs, replacement costs, and damage to the following that result from you or your invitees, guests, or occupants’ negligence or intentional acts: (1) damage to doors, windows, or screens; (2) damage from windows or doors left open; and (3) damage from wastewater stoppages caused by improper objects in lines exclusively serving your apartment. We may require payment at any time, including advance payment of estimated repairs for which you’re liable. Delay in demanding sums you owe is not a waiver.

13. CONTRACTUAL LIEN AND PROPERTY LEFT IN APARTMENT.

All property in the apartment is subject to a contractual lien to secure payment of delinquent rent. For this purpose, “apartment” excludes common areas but includes interior living areas and exterior patios, balconies, attached garages, and storerooms for your exclusive use. This Section does not limit any lien rights we have but provides additional lien rights we may have under State law.

Removal After Surrender, Abandonment, or Eviction. We or law officers may remove and/or store all property remaining in the apartment or in common areas (including any vehicles you or any occupant or guest owns or uses) if you are judicially evicted or if you surrender or abandon the apartment (see definitions in paragraph 50 (Deposit Returns, Surrender and Abandonment)).

Storage. We will store property removed for 15 days after surrender or abandonment of the apartment. We’re not liable for casualty loss, damage, or theft of the property removed and/or stored. We will not store any property covered by U.C.A. 78B-6-816(6). You will be responsible for reasonable charges for our packing, removing, storing, and selling any property.

Redemption. If we’ve seized and stored property under a contractual lien or as authorized by state statute, you may redeem the property within 15 days only by paying all sums you owe, including rent, late charges, packing, removing, and storage charges,

damages, etc. If we’ve seized and stored property after surrender, abandonment, or judicial eviction, you may redeem within 15 days by paying reasonable costs associated with the inventory, removal, and storage of the property. We may return redeemed property at the place of storage, the management office, or the apartment (at our option). We may require payment by cash, money order, or certified check.

Disposition or Sale. Unredeemed property shall be sold or disposed of in accordance with the law of Utah.

14. FAILING TO PAY FIRST MONTH’S RENT. If you don’t pay the first month’s rent when or before the Lease Contract begins, all future rent will be automatically accelerated without notice and immediately due. We also may end your right of occupancy and recover damages, future rent, attorney’s fees, court costs, and other lawful charges. Our rights and remedies under paragraphs 11 (Early Move-Out) and 33 (Default by Resident) apply to acceleration under this paragraph.

15. RENT INCREASES AND LEASE CONTRACT CHANGES.

No rent increases or Lease Contract changes are allowed before the initial Lease Contract term ends, except for changes allowed by any special provisions in paragraph 10 (Special Provisions), by a written addendum or amendment signed by you and us, or by reasonable changes of apartment rules allowed under paragraph 19 (Community Policies or Rules). If, at least 15 days before the advance notice deadline referred to in paragraph 3 (Lease Term), we give you written notice of rent increases or lease changes effective when the lease term or renewal period ends, this Lease Contract will automatically continue month-to-month (not to exceed five (5) years) with the increased rent or lease changes. The new modified Lease Contract will begin on the date stated in the notice (without necessity of your signature) unless you give us written move-out notice under paragraph 45 (Move-Out Notice).

16. DELAY OF OCCUPANCY. If occupancy is or will be delayed for

construction, repairs, cleaning, or a previous resident’s holding over, we’re not responsible for the delay. The Lease Contract will remain in force subject to: (1) abatement of rent on a daily basis during delay; and (2) your right to terminate as set forth below. Termination notice must be in writing. After termination, you are entitled only to refund of deposit(s) and any rent paid. Rent abatement or lease termination does not apply if delay is for cleaning or repairs that don’t prevent you from occupying the apartment.

If there is a delay and we haven’t given notice of delay as set forth immediately below, you may terminate up to the date when the apartment is ready for occupancy, but not later.

(1) If we give written notice to any of you when or after the initial term as set forth in paragraph 3 (Lease Term)—and the notice states that occupancy has been delayed because of construction or a previous resident’s holding over, and that the apartment will be ready on a specific date—you may terminate the Lease Contract within 3 days of your receiving the notice, but not later.

(2) If we give written notice to any of you before the initial term as set forth in paragraph 3 (Lease Term) and the notice states that construction delay is expected and that the apartment will be ready for you to occupy on a specific date, you may terminate the Lease Contract within 7 days after any of you receives written notice, but not later. The readiness date is considered the new initial term as set forth in paragraph 3 (Lease Term) for all purposes. This new date may not be moved to an earlier date unless we and you agree.

17. AD VALOREM TAXES/FEES AND CHARGES - ADDITIONAL RENT.

Unless otherwise prohibited by law, if, during the term of this Agreement, any locality, city, state, or Federal Government imposes upon Us, any fee, charge, or tax, which is related to or charged by the number of occupants, or by the apartment unit itself, such that we are charged a fee, charge, or tax, based upon your use or occupancy of the apartment, we may add this charge as Additional Rent, during the term of the Lease Contract, with thirty (30) days advance written notice to you. After this written notice (the amount or approximate amount of the charge, will be included), you agree to pay, as Additional

Rent, the amount of the charge, tax or fee imposed upon us, as a result of your occupancy. As examples, these charges can include, but are not limited to: any charges we receive for any zoning violation, sound, noise or litter charge; any charge under any nuisance or chronic nuisance type statute, 911 or other life safety, per person, or per unit charge or tax and any utility bill unpaid by you, which is then assessed to us for payment.

18. DISCLOSURE RIGHTS. If someone requests information on you or your rental history for law-enforcement, governmental, or business purposes, we may provide it.

While You're Living in the Apartment

19. COMMUNITY POLICIES OR RULES. You and all guests and occupants must comply with any written apartment rules and community policies, including instructions for care of our property. Our rules are considered part of this Lease Contract. We may make reasonable changes to written rules, effective immediately, if distributed and applicable to all units in the apartment community and do not change dollar amounts on page 1 of this Lease Contract.

20. LIMITATIONS ON CONDUCT. The apartment and other areas reserved for your private use must be kept clean and free of trash, garbage, and other debris. Trash must be disposed of at least weekly in appropriate receptacles in accordance with local ordinances. Passageways may be used only for entry or exit. You agree to keep all passageways and common areas free of obstructions such as trash, storage items, and all forms of personal property. No person shall ride or allow bikes, skateboards, or other similar objects in the passageways. Any swimming pools, saunas, spas, tanning beds, exercise rooms, storerooms, laundry rooms, and similar areas must be used with care in accordance with apartment rules and posted signs. Glass containers are prohibited in all common areas. You, your occupants, or guests may not anywhere in the apartment community: use candles or use kerosene lamps or kerosene heaters without our prior written approval; cook on balconies or outside; or solicit business or contributions. Conducting any kind of business (including child care services) in your apartment or in the apartment community is prohibited—except that any lawful business conducted “at home” by computer, mail, or telephone is permissible if customers, clients, patients, and other business associates do not come to your apartment for business purposes. We may regulate: (1) the use of patios, balconies, and porches; (2) the conduct of furniture movers and delivery persons; and (3) recreational activities in common areas. You'll be liable to us for damage caused by you or any guests or occupants.

We may exclude from the apartment community guests or others who, in our judgment, have been violating the law, violating this Lease Contract or any apartment rules, or disturbing other residents, neighbors, visitors, or owner representatives. We may also exclude from any outside area or common area a person who refuses to show photo identification or refuses to identify himself or herself as a resident, occupant, or guest of a specific resident in the community.

You agree to notify us if you or any occupants are charged or convicted of any felony, or misdemeanor involving a controlled substance, violence to another person or destruction of property. You also agree to notify us if you or any occupant registers as a sex offender in any state. Informing us of criminal convictions or sex offender registry does not waive our right to evict you.

21. PROHIBITED CONDUCT. You, your occupants or guests, or the guests of any occupants, may not engage in the following activities: behaving in a loud or obnoxious manner; disturbing or threatening the rights, comfort, health, safety, or convenience of others (including our agents and employees) in or near the apartment community; disrupting our business operations; manufacturing, delivering, possessing with intent to deliver, or otherwise possessing a controlled substance or drug paraphernalia; engaging in or threatening violence; possessing a weapon prohibited by state law; discharging a firearm in the apartment community; displaying or possessing a gun, knife, or other weapon in the common area in a way that may alarm others; storing anything in closets having gas appliances; tampering with utilities or telecommunications; ringing hazardous materials into the apartment community; or *injuring our reputation by making bad faith allegations against us to others.*

22. PARKING. We may regulate the time, manner, and place of parking all cars, trucks, motorcycles, bicycles, boats, trailers, and recreational vehicles by anyone. We may have unauthorized or illegally parked vehicles towed. A vehicle is unauthorized or illegally parked in the apartment community if it:

- (1) has a flat tire or other condition rendering it inoperable; or

- (2) is on jacks, blocks or has wheel(s) missing; or
- (3) has no current license plate or no current registration and/or inspection sticker; or
- (4) takes up more than one parking space; or
- (5) belongs to a resident or occupant who has surrendered or abandoned the apartment; or
- (6) is parked in a marked handicap space without the legally required handicap insignia; or
- (7) is parked in space marked for manager, staff, or guest at the office; or
- (8) blocks another vehicle from exiting; or
- (9) is parked in a fire lane or designated “no parking” area; or
- (10) is parked in a space marked for other resident(s) or unit(s); or
- (11) is parked on the grass, sidewalk, or patio; or
- (12) blocks garbage trucks from access to a dumpster; or
- (13) belongs to a resident and is parked in a visitor or retail parking space.

23. RELEASE OF RESIDENT. Unless you're entitled to terminate your tenancy under paragraphs 10 (Special Provisions), 16 (Delay of Occupancy), 32 (Responsibilities Of Owner), 45 (Move-Out Notice), or any other applicable law, you won't be released from this Lease Contract for any reason—including but not limited to voluntary or involuntary school withdrawal or transfer, voluntary or involuntary job transfer, marriage, separation, divorce, reconciliation, loss of co-residents, loss of employment, bad health, or death.

24. MILITARY PERSONNEL CLAUSE. All parties to this Lease Contract agree to comply with any federal law, including, but not limited to the Service Member's Civil Relief Act, or any applicable state law(s), if you are seeking to terminate this Lease Contract and/or subsequent renewals and/or Lease Contract extensions under the rights granted by such laws.

25. RESIDENT SAFETY AND PROPERTY LOSS. You and all occupants and guests must exercise due care for your own and others' safety and security, especially in the use of smoke detectors and carbon monoxide detectors, keyed deadbolt locks, keyless bolting devices, window latches, and other access control devices.

Smoke Detectors and Carbon Monoxide Detectors. We'll furnish smoke detectors and carbon monoxide detectors only if required by statute, and we'll test them and provide working batteries when you first take possession. After that, you must test the smoke detectors and the carbon monoxide detectors on a regular basis, and you must pay for and replace batteries as needed, unless the law provides otherwise. We may replace dead or missing batteries at your expense, without prior notice to you. You must immediately report smoke detector and carbon monoxide detector malfunctions to us. Neither you nor others may disable neither the smoke detectors or carbon monoxide detectors. If you damage or disable the smoke detector or carbon monoxide detector or remove a battery without replacing it with a working battery, you may be liable for actual damages and attorney's fees. If you disable or damage the smoke detector or carbon monoxide detector, or fail to replace a dead battery or report malfunctions to us, you will be liable to us and others for any loss, damage, or fines from fire, smoke, or water.

Casualty Loss. We're not liable to any resident, guest, or occupant for personal injury or damage or loss of personal property from any cause, including but not limited to: fire, smoke, rain, flood, water and pipe leaks, hail, ice, snow, lightning, wind, explosions, earthquake, interruption of utilities, theft, or vandalism unless otherwise required by law. We have no duty to remove any ice, sleet, or snow but may remove any amount with or without notice. During freezing weather, you must ensure that the temperature in the apartment is sufficient to make sure that the pipes do not freeze (the appropriate temperature will depend upon weather conditions and the size and layout of your unit). If the pipes freeze or any other damage is caused by your failure to properly maintain the heat in your apartment, you'll be liable for damage to our and other's property. If you ask our

representatives to perform services not contemplated in this Lease Contract, you will indemnify us and hold us harmless from all liability for these services. **RESIDENT(S) UNDERSTANDS AND AGREES THERE MAY BE RENTAL HOUSING IN THE GENERAL COMMUNITY THAT MAY BE LEASED WITHOUT AN EXCULPATORY PROVISION SUCH AS THIS ONE. RESIDENT(S) UNDERSTAND AND FREELY AGREE TO THE TERMS AND CONDITIONS OF THIS PROVISION.**

Crime or Emergency. Dial 911 or immediately call local medical emergency, fire, or police personnel in case of accident, fire, smoke, or suspected criminal activity or other emergency involving imminent harm. You should then contact our representative. **Unless otherwise provided by law, we're not liable to you or any guests or occupants for injury, damage, or loss to person or property caused by criminal conduct of other persons, including theft, burglary, assault, vandalism, or other crimes.** We're not obliged to furnish security personnel, security lighting, security gates or fences, or other forms of security. If we provide any access control devices or security measures upon the property, they are not a guarantee to prevent crime or to reduce the risk of crime on the property. You agree that no access control or security measures can eliminate all crime and that you will not rely upon any provided access control or security measures as a warranty or guarantee of any kind. We're not responsible for obtaining criminal-history checks on any residents, occupants, guests, or contractors in the apartment community. If you or any occupant or guest is affected by a crime, you must make a written report to our representative and to the appropriate local law-enforcement agency. You must also furnish us with the law-enforcement agency's incident-report number upon request. **RESIDENT(S) UNDERSTANDS AND AGREES THERE MAY BE RENTAL HOUSING IN THE GENERAL COMMUNITY THAT MAY BE LEASED WITHOUT AN EXCULPATORY PROVISION SUCH AS THIS ONE. RESIDENT(S) UNDERSTAND AND FREELY AGREE TO THE TERMS AND CONDITIONS OF THIS PROVISION.**

26. CONDITION OF THE PREMISES AND ALTERATIONS. You accept the apartment, fixtures, and furniture as is, except for conditions materially affecting the health or safety of ordinary persons. We disclaim all implied warranties. Upon your written request, you'll be given an Inventory and Condition form on or before move-in. You must note on the form all defects or damage and return it to our representative. Otherwise, everything will be considered to be in a clean, safe, and good working condition.

You must use customary diligence in maintaining the apartment and not damaging or littering the common areas. Unless authorized by statute or by us in writing, you must not perform any repairs, painting, wallpapering, carpeting, electrical changes, or otherwise alter our property. No holes or stickers are allowed inside or outside the apartment. But we'll permit a reasonable number of small nail holes for hanging pictures on sheetrock walls and in grooves of wood-paneled walls, unless our rules state otherwise. No water furniture, washing machines, additional phone or TV-cable outlets, alarm systems, or lock changes, additions, or rekeying is permitted unless statutorily allowed or we've consented in writing. You may install a satellite dish or antenna provided you sign our satellite dish or antenna lease addendum which complies with reasonable restrictions allowed by federal law. You agree not to alter, damage, or remove our property, including alarm systems, smoke detectors, carbon monoxide detectors, furniture, telephone and cable TV wiring, screens, locks, and access control devices. When you move in, we'll supply light bulbs for fixtures we furnish, including exterior fixtures operated from inside the apartment; after that, you'll replace them at your expense with bulbs of the same type and wattage. Your improvements to the apartment (whether or not we consent) become ours unless we agree otherwise in writing.

27. REQUESTS, REPAIRS, AND MALFUNCTIONS. EXCEPT FOR NOTICES WHERE SERVICE IN A SPECIFIC MANNER IS REQUIRED BY LAW (i.e. eviction notices, notices under the Utah Fit Premises Act, etc.), IF YOU OR ANY OCCUPANT NEEDS TO SEND A NOTICE OR REQUEST—FOR EXAMPLE, FOR REPAIRS, INSTALLATIONS, SERVICES, OR SECURITY-RELATED MATTERS—IT MUST BE SUBMITTED THROUGH EITHER THE ONLINE RESIDENT/ MAINTENANCE PORTAL, OR SIGNED AND IN WRITING AND DELIVERED TO OUR DESIGNATED REPRESENTATIVE, (except in case of fire, smoke, gas, explosion, overflowing sewage, uncontrollable running water, electrical shorts, or crime in progress). Our written notes on your oral request do not constitute a written request from you.

Our complying with or responding to any oral request regarding security or non-security matters doesn't waive the strict requirement for written notices under this Lease Contract. You must promptly notify us in writing of: water leaks; electrical problems; malfunctioning lights; broken or missing locks or latches; and other

conditions that pose a hazard to property, health, or safety. We may change or install utility lines or equipment serving the apartment if the work is done reasonably without substantially increasing your utility costs. We may turn off equipment and interrupt utilities as needed to avoid property damage or to perform work. If utilities malfunction or are damaged by fire, water, or similar cause, you must notify our representative immediately. Air conditioning problems are not emergencies. If air conditioning or other equipment malfunctions, you must notify our representative as soon as possible on a business day. We'll act with customary diligence to make repairs and reconnections. Rent will not abate in whole or in part.

If we believe that fire or catastrophic damage is substantial, or that performance of needed repairs poses a danger to you, we may terminate your tenancy within a reasonable time by giving you a 15 day written notice. If your tenancy is so terminated, we'll refund prorated rent and all deposits, less lawful deductions.

28. ANIMALS. Unless otherwise provided under federal, state, or local law, no animals (including mammals, reptiles, birds, fish, rodents, and insects) are allowed, even temporarily, anywhere in the apartment or apartment Community unless we've so authorized in writing. You must remove an illegal or unauthorized animal within 24 hours of notice from us, or you will be considered in default of this Lease Contract. If we allow an animal as a pet, you must execute a separate animal addendum which may require additional deposits, rents, fees or other charges. An animal deposit is considered a general security deposit. We will authorize an assistance animal for a disabled person. When allowed by applicable laws, before we authorize an assistance animal, if the disability is not readily apparent, we may require reliable documentation in the form of a written statement from a qualified professional verifying the disability-related need for the assistance animal. If we authorize an assistance animal, we may require you to execute a separate animal and/or assistance animal addendum. Animal deposits, additional rents, fees or other charges will not be required for an assistance animal needed due to disability, including an emotional support or service animal, as authorized under federal, state, or local law. You must not feed stray or wild animals.

If you or any guest or occupant violates animal restrictions (with or without your knowledge), you'll be subject to charges, damages, eviction, and other remedies provided in this Lease Contract. If an animal has been in the apartment at any time during your term of occupancy (with or without our consent), we'll charge you for defleaing, deodorizing, and shampooing. Initial and daily animal-violation charges and animal-removal charges are liquidated damages for our time, inconvenience, and overhead (except for attorney's fees and litigation costs) in enforcing animal restrictions and rules.

29. WHEN WE MAY ENTER. If you or any guest or occupant is present, then repairers, servicers, contractors, our representatives, or other persons listed in (2) below may peacefully enter the apartment at reasonable times for the purposes listed in (2) below. If nobody is in the apartment, then such persons may enter peacefully and at reasonable times by duplicate or master key (or by breaking a window or other means when necessary in emergencies) if:

- (1) written notice of the entry is left in a conspicuous place in the apartment immediately after the entry; *and*
- (2) entry is for: responding to your request; making repairs or replacements; estimating repair or refurbishing costs; performing pest control; doing preventive maintenance; changing filters; testing or replacing smoke-detector or carbon monoxide detector batteries; retrieving unreturned tools, equipment, or appliances; preventing waste of utilities; leaving notices; delivering, installing, reconnecting, or replacing appliances, furniture, equipment, or access control devices; removing or rekeying unauthorized access control devices; removing unauthorized window coverings; stopping excessive noise; removing health or safety hazards (including hazardous materials) or items prohibited under our rules; removing perishable foodstuffs if your electricity is disconnected; cutting off electricity according to statute; retrieving property owned or leased by former residents; inspecting when immediate danger to person or property is reasonably suspected; allowing persons to enter as you authorized in your rental application (if you die, are incarcerated, etc.); allowing entry by a law officer with search or arrest warrant or in hot pursuit; showing apartment to prospective residents (after move-out or vacate notice has been given); or showing apartment to government inspectors for the limited purpose of determining housing and fire ordinance compliance by us and to lenders, appraisers, contractors, prospective buyers, or insurance agents.

30. JOINT AND SEVERAL RESPONSIBILITY. Each resident is jointly and severally liable for all lease obligations. If you or any guest or occupant violates the Lease Contract or rules, all residents are considered to have violated the Lease Contract. Our requests and notices (including sale notices) to any resident constitute notice to all residents and occupants. Notices and requests from any resident

or occupant (including notices of termination, repair requests, and entry permissions) constitute notice from all residents. In eviction suits, each resident is considered the agent of all other residents in the apartment for service of process. Security-deposit refunds and deduction itemizations of multiple residents will comply with paragraph 50 (Deposit, Return, Surrender and Abandonment).

Replacements

31. REPLACEMENTS AND SUBLETTING. Replacing a resident, subletting, assignment or granting a right or license to occupy is allowed only when we expressly consent in writing. If departing or remaining residents find a replacement resident acceptable to us before moving out and we expressly consent, in writing, to the replacement, subletting, assignment, or granting a right or any license to occupy, then:

- (1) a reasonable administrative (paperwork) and/or transfer fee will be due, and a rekeying fee will be due if rekeying is requested or required; and
- (2) the departing and remaining residents will remain liable for all lease obligations for the rest of the original lease term.

Procedures for Replacement. If we approve a replacement resident, then, at our option: (1) the replacement resident must sign this Lease Contract with or without an increase in the total security deposit; *or* (2) the remaining and replacement residents must sign an entirely new Lease Contract. Unless we agree otherwise in writing, your security deposit will automatically transfer to the replacement resident as of the date we approve. The departing resident will no longer have a right of occupancy or a security deposit refund, but will remain liable for the remainder of the original lease term unless we agree otherwise in writing—even if a new Lease Contract is signed.

Responsibilities of Owner and Resident

32. RESPONSIBILITIES OF OWNER. We'll act with customary diligence to:

- (1) keep common areas reasonably clean, subject to paragraph 26 (Condition of the Premises and Alterations);
- (2) maintain fixtures, furniture, hot water, heating and A/C equipment;
- (3) comply with applicable federal, state, and local laws regarding sanitation and fair housing; and
- (4) make all reasonable repairs, subject to your obligation to pay for damages for which you are liable.

33. DEFAULT BY RESIDENT. You'll be in default if you or any guest or occupant violates any terms of this Lease Contract including but not limited to the following violations: (1) you don't pay rent or other amounts that you owe when due; (2) you or any guest or occupant violates the apartment rules, or fire, safety, health, or criminal laws, regardless of whether or where arrest or conviction occurs; (3) you abandon the apartment; (4) you give incorrect or false answers in a rental application; (5) you or any occupant is arrested, convicted, or given deferred adjudication for a felony offense involving actual or potential physical harm to a person, or involving possession, manufacture, or delivery of a controlled substance, marijuana, or drug paraphernalia; (6) any illegal drugs or paraphernalia are found in your apartment; (7) you or any guest or occupant engages in any of the prohibited conduct described in paragraph 21 (Prohibited Conduct); or (8) you or any occupant, in bad faith, makes an invalid complaint to an official or employee of a utility company or the government.

Eviction. In the event of your default, eviction action may be commenced against you in accordance with Utah law. Termination of your possession rights doesn't release you from liability for future rent or other lease obligations. Accepting money at any time doesn't waive our right to damages; past or future rent or other sums.

Acceleration. All monthly rent for the rest of the lease term or renewal period will be accelerated automatically without notice or demand (before or after acceleration) and will be immediately due and delinquent if, without our written consent: (1) you move out, remove property in preparing to move out, or give oral or written notice (by you or any occupant) of intent to move out before the lease term or renewal period ends; and (2) you've not paid all rent for the entire lease term or renewal period. Such conduct is considered a default for which we need not give you notice. Remaining rent also will be accelerated if you're judicially evicted or move out when we demand because you've defaulted.

Holdover. You or any occupant, invitee, or guest must not hold over beyond the date contained in your move-out notice or our notice to vacate (or beyond a different move-out date agreed to by the parties in writing). If a holdover occurs, then: (1) holdover rent is due in advance on a daily basis and may become delinquent without notice or demand; (2) rent for the holdover period will be will be increased by 25% over the then-existing rent, without notice; (3) you'll be liable to us for all rent for the full term of the previously signed Lease Contract of a new resident who can't occupy because of the holdover; and (4) at our option, we may extend the Lease Contract term—for up to one month from the date of notice of Lease Contract extension—by delivering written notice to you or your apartment while you continue to hold over.

Other Remedies. We may report unpaid amounts to credit agencies. If you default and move out early, you will pay us any amounts stated to be rental discounts in paragraph 10 (Special Provisions), in addition to other sums due. Upon your default, we have all other legal remedies, including tenancy termination and other remedies under state statute. Unless a party is seeking exemplary, punitive, sentimental or personal-injury damages, the prevailing party may recover from the non-prevailing party attorney's fees and all other litigation costs. Late charges are liquidated damages for our time, inconvenience, and overhead in collecting late rent (but are not for attorney's fees and litigation costs). In the event obligations under this agreement of its addendums are assigned to a licensed collection agency or attorney, a collection fee of forty percent (40%) of the debt/obligation assigned shall be added to the amount owed pursuant to the terms hereof and as allowed by law. All amounts past due and/or in any lawsuit the entire judgment shall bear interest from the due date at the rate of twenty-four percent (24%) per annum compounded daily until paid. Any amounts shall be deemed late if not paid by 5:00 pm local time on the date due.

Remedies Cumulative. Any remedies set forth herein shall be cumulative, in addition to, and not in limitation of, any other remedies available to Landlord under any applicable law.

Mitigation of Damages. If you move out early, you'll be subject to paragraph 11 (Early Move-Out) and all other remedies. We'll exercise customary diligence to relet and mitigate damages. We'll credit all subsequent rent that we actually receive from subsequent residents against your liability for past-due and future rent and other sums due.

General Clauses

34. ENTIRE AGREEMENT. Neither we nor any of our representatives have made any oral promises, representations, or agreements. This Lease Contract is the entire agreement between you and us.

35. NO AUTHORITY TO AMEND UNLESS IN WRITING. Our representatives (including management personnel, employees, and agents) have no authority to waive, amend, or terminate this Lease Contract or any part of it, unless in writing, and no authority

to make promises, representations, or agreements that impose security duties or other obligations on us or our representatives unless in writing and signed by all parties.

36. NO WAIVER. No action or omission of our representative will be considered a waiver of any subsequent violation, default, or time or place of performance. Our not enforcing or belatedly enforcing written-notice requirements, rental due dates, liens, or other rights, is not a waiver under any circumstances.

37.NOTICE. Except when notice or demand is required by statute, you waive any notice and demand for performance from us if you default. Written notice to or from our managers constitutes notice to or from us. Any person giving a notice under this Lease Contract should retain a copy of the memo, letter or fax that was given. Fax signatures are binding.

38.MISCELLANEOUS.

- A. Exercising one remedy won't constitute an election or waiver of other remedies.
- B. Unless prohibited by law or the respective insurance policies, insurance subrogation is waived by all parties.
- C. All remedies are cumulative.
- D. No employee, agent, or management company is personally liable for any of our contractual, statutory, or other obligations merely by virtue of acting on our behalf.
- E. This Lease Contract binds subsequent owners. Neither an invalid clause nor the omission of initials on any page invalidates this Lease Contract.
- F. All provisions regarding our non-liability and non-duty apply to our employees, agents, and management companies.
- G. This Lease Contract is subordinate or superior to existing and future recorded mortgages, at lender's option.
- H. All lease obligations must be performed in the county where the apartment is located.
- I. All discretionary rights reserved for us within this Lease Contract or any accompanying addenda are at our sole and absolute discretion.

39.WAIVER OF JURY TRIAL. To minimize legal expenses and, to the extent allowed by law, you and we agree that a trial of any lawsuit based on statute common law, and/or related to this Lease Contract shall be to a judge and not a jury.

40.CONTACTING YOU. By signing this lease, you are agreeing that we, our representative(s) or agent(s) may contact you. You agree that we may contact you using any contact information relating to your lease including any number (i) you have provided to us (ii) from which you called us, or (iii) which we obtained and through which we reasonably believe we can reach you. You agree we may use any means to contact you. This may include calls made to your cellular telephone using an automatic telephone dialing system, artificial or prerecorded voice messages, text messages, mail, e-mail,

and calls to your phone or Voice over Internet Protocol (VoIP) service, or any other data or voice transmission technology. You agree to promptly notify us if you change any contact information you provide to us. You are responsible for any service provider charges as a result of us contacting you.

41.OBLIGATION TO VACATE. If we provide you with a notice to vacate, or if you provide us with a written notice to vacate or intent to move-out in accordance with paragraph 3 (Lease Term), and we accept such written notice, then you are required to vacate the Apartment and remove all of your personal property therefrom at the expiration of the Lease term, or by the date set forth in the notice to vacate, whichever date is earlier, without further notice or demand from us.

42.FORCE MAJEURE: If we are prevented from completing performances of any obligations hereunder by an act of God, strikes, epidemics, war, acts of terrorism, riots, flood, fire, hurricane, tornado, sabotage, or other occurrence which is beyond the control of the parties, then we shall be excused from any further performance of obligations and undertakings hereunder, to the full extent allowed under applicable law.

Furthermore, if such an event damages the property to materially affect its habitability by some or all residents, we reserve the right to vacate any and all leases and you agree to excuse us from any further performance of obligations and undertakings hereunder, to the full extent allowed under applicable law.

43.PAYMENTS. Payment of all sums is an independent covenant. At our option and without notice, we may apply money received first to any of your unpaid obligations, then to current rent—regardless of notations on checks or money orders and regardless of when the obligations arose. All sums other than rent are due upon our demand. After the due date, we do not have to accept the rent or any other payments.

44.ASSOCIATION MEMBERSHIP. We represent that either: (1) we or; (2) the management company that represents us, is at the time of signing this Lease Contract or a renewal of this Lease Contract, a member of both the National Apartment Association and any affiliated state and local apartment (multi-housing) associations for the area where the apartment is located.

When Moving Out

45.MOVE-OUT NOTICE. Before moving out, either at the end of the lease term, any extension of the lease term, or prior to the end of the lease term, you must give our representative advance written notice of your intention to vacate as required by paragraph 3 (Lease Term). If you move out prior to the end of the lease term, your notice does not act as a release of liability for the full term of the Lease Contract. You will still be liable for the entire Lease Contract term if you move out early under paragraph 23 (Release of Resident) except if you are able to terminate your tenancy under the statutory rights explained under paragraphs 11 (Early Move-Out), 23 (Release of Resident), or any other applicable law. All notices to vacate must be in writing and must provide the date by which you intend to vacate. If the notice does not comply with the time requirements of paragraph 3 (Lease Term), even if you move by the last date in the lease term, you will be responsible for an additional month's rent. If you fail to vacate by the date set forth in your notice, we can elect to either (1) treat you as a holdover RESIDENT and charge the holdover rent rate, or (2) proceed with eviction proceedings.

46.MOVE-OUT PROCEDURES. The move-out date can't be changed unless we and you both agree in writing. You won't move out before the lease term or renewal period ends unless all rent for the entire lease term or renewal period is paid in full. Early move-out may result in the application of damages provided for in paragraphs 11 (Early Move-Out) and 33 (Default by Resident). You won't stay beyond the date you are supposed to move-out. All residents, guests, and occupants must vacate the apartment before the 30-day period for deposit refund begins. You must give us and the U.S. Postal Service, in writing, each resident's forwarding address.

47.CLEANING. You must thoroughly clean the apartment, including doors, windows, furniture, bathrooms, kitchen appliances, patios, balconies, garages, carports, and storage rooms. You must follow move-out cleaning instructions if they have been provided. If you don't clean adequately, you'll be liable for reasonable cleaning charges.

48.MOVE-OUT INSPECTION. You should meet with our representative for a move-out inspection. Our representative has no authority to bind or limit us regarding deductions for repairs, damages, or charges. Any statements or estimates by us or our representative are subject to our correction, modification, or disapproval before final refunding or accounting.

49.SECURITY DEPOSIT DEDUCTIONS AND OTHER CHARGES. You'll be liable for the following charges, if applicable: unpaid rent; unpaid utilities; unreimbursed service charges; repairs or damages caused by negligence, carelessness, accident, or abuse, including stickers, scratches, tears, burns, stains, or unapproved holes; replacement cost of our property that was in or attached to the apartment and is missing; replacing dead or missing smoke-detector or carbon monoxide detector batteries; utilities for repairs or cleaning; trips to let in company representatives to remove your telephone or TV cable services or rental items (if you so request or have moved out); trips to open apartment when you or any guest or occupant is missing a key; unreturned keys; missing or burned-out light bulbs; removing or rekeying unauthorized access control devices or alarm systems; packing, removing, or storing property removed or stored under paragraph 13 (Property Left In Apartment); removing illegally parked vehicles; special trips for trash removal caused by parked vehicles blocking dumpsters; false-security-alarm charges unless due to our negligence; animal-related charges under paragraph 28 (Animals); government fees or fines against us for violation (by you, your occupants, or guests) of local ordinances relating to smoke detectors and carbon monoxide detectors, false alarms, recycling, or other matters; late-payment and returned-check charges; a charge (not to exceed \$100) for owner/manager's time and inconvenience in our lawful removal of an animal or in any valid eviction proceeding against you, plus attorney's fees, court costs, and filing fees actually paid; and other sums due under this Lease Contract.

You'll be liable to us for: (1) charges for replacing all keys and access devices referenced in paragraph 5 (Keys) if you fail to return them on or before your actual move-out date; and (2) accelerated rent if you have violated paragraph 33 (Default by Resident).

4. INSPECTION AND INFESTATIONS. BY SIGNING THIS ADDENDUM, YOU REPRESENT THAT:

5. ACCESS FOR INSPECTION AND PEST TREATMENT.

We have the right to select any licensed pest control professional to treat the apartment and building. We can select the method of treating the apartment, building and common areas for bed bugs. We can also inspect and treat adjacent or neighboring apartments to the infestation even if those apartments are not the source or cause of the known infestation. Unless otherwise prohibited by law, you are responsible for and must, at your own expense, have your own personal property, furniture, clothing and possessions treated according to accepted treatment methods established by a licensed pest control firm that we approve. You must do so as close as possible to the time we treated the apartment. 7. COOPERATION. If we confirm the presence or infestation of bed bugs, you must cooperate and coordinate with us and our pest control agents to treat and eliminate the bed bugs. You must follow all directions from us or our agents to clean and treat the apartment and building that are infested. Any items you remove from the apartment must be disposed of off-site and not in the property's trash receptacles. If we confirm the presence or infestation of bed bugs in your apartment, we have the right to require you to temporarily vacate the apartment and remove all furniture, clothing and personal belongings in order for us to perform pest control services. If you fail to move out after your right of occupancy has been terminated, you will be liable for holdover rent under the Lease Contract.

BED BUGS — A Guide for Rental Housing Residents

Bed bugs, with a typical lifespan of 6 to 12 months, are wingless, flat, broadly oval-shaped insects. Capable of reaching the size of an apple seed at full growth, bed bugs are distinguishable by their reddish-brown color, although after feeding on the blood of humans and warm-blooded animals—their sole food source—the bugs assume a distinctly blood-red hue until digestion is complete.

Bed bugs don't discriminate

Bed bugs increased presence across the United States in recent decades can be attributed largely to a surge in international travel and trade. It's no surprise then that bed bugs have been found time and time again to have taken up residence in some of the fanciest hotels and apartment buildings in some of the nation's most expensive neighborhoods.

Nonetheless, false claims that associate bed bugs presence with poor hygiene and uncleanliness have caused rental housing residents, out of shame, to avoid notifying owners of their presence. This serves only to enable the spread of bed bugs.

While bed bugs are, by their very nature, more attracted to clutter, they're certainly not discouraged by cleanliness.

Bottom line: bed bugs know no social and economic bounds; claims to the contrary are false.

Bed bugs don't transmit disease

There exists no scientific evidence that bed bugs transmit disease. In fact, federal agencies tasked with addressing pest of public health concern, namely the U.S. Environmental Protection Agency and the Centers for Disease Control and Prevention, have refused to elevate bed bugs to the threat level posed by disease transmitting pests. Again, claims associating bed bugs with disease are false.

Identifying bed bugs

Bed bugs can often be found in, around and between:

- Bedding
- Bed frames
- Mattress seams
- Upholstered furniture, especially under cushions and along seams
- Around, behind and under wood furniture, especially along areas where drawers slide
- Curtains and draperies
- Along window and door frames
- Ceiling and wall junctions
- Crown moldings
- Behind and around wall hangings and loose wallpaper
- Between carpeting and walls (carpet can be pulled away from the wall and tack strip)
- Cracks and crevices in walls and floors
- Inside electronic devices, such as smoke and carbon monoxide detectors

- Because bed bugs leave some persons with itchy welts strikingly similar to those caused by fleas and mosquitoes, the origination of such markings often go misdiagnosed. However, welts caused by bed bugs often times appear in succession and on exposed areas of skin, such as the face, neck and arms. In some cases, an individual may not experience any visible reaction resulting from direct contact with bed bugs.
- While bed bugs typically prefer to act at night, they often do not succeed in returning to their hiding spots without leaving traces of their presence through fecal markings of a red to dark brown color, visible on or near beds. Blood stains tend also to appear when the bugs have been squashed, usually by an unsuspecting host in their sleep. And, because they shed, it's not uncommon for skin casts to be left behind in areas typically frequented by bed bugs.

Preventing bed bug encounters when traveling

Because humans serve as bed bugs' main mode of transportation, it is extremely important to be mindful of bed bugs when away from home. Experts agree that the spread of bed bugs across all regions of the United States is largely attributed to an increase in international travel and trade. Travelers are therefore encouraged to take a few minutes upon arriving to their temporary destination to thoroughly inspect their accommodations, so as to ensure that any uninvited guests are detected before the decision is made to unpack.

Because bed bugs can easily travel from one room to another, it is also recommended that travelers thoroughly inspect their luggage and belongings for bed bugs before departing for home.

Bed bug do's and don'ts

- **Do not bring used furniture from unknown sources into your apartment.** Countless bed bug infestations have stemmed directly from the introduction into a resident's unit of second-hand and abandoned furniture. Unless the determination can be made with absolute certainty that a piece of second-hand furniture is bed bug-free, residents should assume that the reason a seemingly nice looking leather couch, for example, is sitting curbside, waiting to be hauled off to the landfill, may very well be due to the fact that it's teeming with bed bugs.
- **Do address bed bug sightings immediately.** Rental housing residents who suspect the presence of bed bugs in their unit must immediately notify the owner.
- **Do not attempt to treat bed bug infestations.** Under no circumstance should you attempt to eradicate bed bugs. Health hazards associated with the misapplication of traditional and non-traditional, chemical-based insecticides and pesticides poses too great a risk to you and your neighbors.
- **Do comply with eradication protocol.** If the determination is made that your unit is indeed playing host to bed bugs, you must comply with the bed bug eradication protocol set forth by both your owner and their designated pest management company.

MOLD INFORMATION AND PREVENTION ADDENDUM
Becomes part of Lease Contract

Please note: It is our goal to maintain a quality living environment for our residents. To help achieve this goal, it is important to work together to minimize any mold growth in your dwelling. That is why this addendum contains important information for you, and responsibilities for both you and us.

This Addendum constitutes an Addendum to the above described Lease Contract for the above described premises, and is hereby incorporated into and made a part of such Lease Contract. Where the terms or conditions found in this Addendum vary or contradict any terms or conditions found in the Lease Contract, this Addendum shall control.

3. ABOUT MOLD. Mold is found virtually everywhere in our environment--both indoors and outdoors and in both new and old structures. Molds are naturally occurring microscopic organisms which reproduce by spores and have existed practically from the beginning of time. All of us have lived with mold spores all our lives. Without molds we would all be struggling with large amounts of dead organic matter.

Mold breaks down organic matter in the environment and uses the end product for its food. Mold spores (like plant pollen) spread through the air and are commonly transported by shoes, clothing and other materials. When excess moisture is present inside a dwelling, mold can grow. A 2004 Federal Centers for Disease Control and Prevention study found that there is currently no scientific evidence that the accumulation of mold causes any significant health risks for person with normally functioning immune systems. Nonetheless, appropriate precautions need to be taken.

4. PREVENTING MOLD BEGINS WITH YOU. In order to minimize the potential for mold growth in your dwelling, you must do the following:

- Keep your dwelling clean—particularly the kitchen, the bathroom(s), carpets and floors. Regular vacuuming, mopping and using a household cleaner to clean hard surfaces is important to remove the household dirt and debris that harbor mold or food for mold. Immediately throw away moldy food.
- Remove visible moisture accumulation on windows, walls, ceilings, floors and other surfaces as soon as reasonably possible. Look for leaks in washing machine hoses and discharge lines—especially if the leak is large enough for water to infiltrate nearby walls. Turn on any exhaust fans in the bathroom and kitchen before you start showering or cooking with open pots. When showering, be sure to keep the

shower curtain inside the tub or fully close the shower doors. Also, the experts recommend that after taking a shower or bath, you: (1) wipe moisture off of shower walls, shower doors, the bathtub and the bathroom floor; (2) leave the bathroom door open until all moisture on the mirrors and bathroom walls and tile surfaces has dissipated; and (3) hang up your towels and bath mats so they will completely dry out.

- Promptly notify us in writing about any air conditioning or heating system problems you discover. Follow our rules, if any, regarding replacement of air filters. Also, it is recommended that you periodically open windows and doors on days when the outdoor weather is dry (i.e., humidity is below 50 percent) to help humid areas of your dwelling dry out.
- Promptly notify us in writing about any signs of water leaks, water infiltration or mold. We will respond in accordance with state law and the Lease Contract to repair or remedy the situation, as necessary.
- Keep the thermostat set to automatically circulate air in the event temperatures rise to or above 80 degrees Fahrenheit.

5. IN ORDER TO AVOID MOLD GROWTH, it is important to prevent excessive moisture buildup in your dwelling. Failure to promptly pay attention to leaks and moisture that might accumulate on dwelling surfaces or that might get inside walls or ceilings can encourage mold growth. Prolonged moisture can result from a wide variety of sources, such as:

- rainwater leaking from roofs, windows, doors and outside walls, as well as flood waters rising above floor level;
- overflows from showers, bathtubs, toilets, lavatories, sinks, washing machines, dehumidifiers, refrigerator or A/C drip pans or clogged up A/C condensation lines;
- leaks from plumbing lines or fixtures, and leaks into walls from bad or missing grouting/caulking around showers, tubs or sinks;
- washing machine hose leaks, plant watering overflows, pet urine, cooking spills, beverage spills and steam from excessive open-pot cooking;
- leaks from clothes dryer discharge vents (which can put lots of moisture into the air); and
- insufficient drying of carpets, carpet pads, shower walls and bathroom floors.

6. IF SMALL AREAS OF MOLD HAVE ALREADY OCCURRED ON NON-POROUS SURFACES (such as ceramic tile, formica, vinyl flooring, metal, wood or plastic), the federal Environmental Protection Agency (EPA) recommends that you first clean the areas with soap (or detergent) and water, let the surface dry, and then within 24 hours apply a pre-mixed, spray-on-type household biocide, such as Lysol Disinfectant®, Pine-Sol Disinfectant® (original pine-scented), Tilex Mildew Remover® or Clorox Cleanup®. (Note: Only a few of the common household cleaners will actually kill mold). Tilex® and Clorox® contain bleach which can discolor or stain. Be sure to follow the instructions on the container. Applying biocides without first cleaning away the dirt and oils from the surface is like painting over old paint without first cleaning and preparing the surface.

Always clean and apply a biocide to an area 5 or 6 times larger than any visible mold because mold may be adjacent in quantities not yet visible to the naked eye. A vacuum cleaner with a high-efficiency particulate air (HEPA) filter can be used to help remove non-visible mold products from porous items, such as fibers in sofas, chairs, drapes and carpets—provided the fibers are completely dry. Machine washing or dry cleaning will remove mold from clothes.

This Addendum constitutes an Addendum to the above described Lease Contract for the above described premises, and is hereby incorporated into and made a part of such Lease Contract. Where the terms or conditions found in this Addendum vary or contradict any terms or conditions found in the Lease Contract, this Addendum shall control.

3. DEFINITION OF SMOKING. Smoking refers to any use or possession of a cigar, cigarette, e-cigarette, hookah, vaporizer, or pipe containing tobacco or a tobacco product while that tobacco or tobacco product is burning, lighted, vaporized, or ignited, regardless of whether the person using or possessing the product is inhaling or exhaling the smoke from such product. The term tobacco includes, but is not limited to any form, compound, or synthesis of the plant of the genus Nicotiana or the species N. tabacum which is cultivated for its leaves to be used in cigarettes, cigars, e-cigarettes, hookahs, vaporizers, or pipes. Smoking also refers to use or possession of burning, lighted, vaporized, or ignited non-tobacco products if they are noxious, offensive, unsafe, unhealthy, or irritating to other persons.

4. SMOKING ANYWHERE INSIDE BUILDINGS OF THE COMMUNITY IS STRICTLY PROHIBITED.

All forms and use of burning, lighted, vaporized, or ignited tobacco products and smoking of tobacco products inside any dwelling, building, or interior of any portion of the community is strictly prohibited. Any violation of the no-smoking policy is a material and substantial violation of this Addendum and the Lease Contract.

The prohibition on use of any burning, lighted, vaporized, or ignited tobacco products or smoking of any tobacco products extends to all residents, their occupants, guests, invitees and all others who are present on or in any portion of the community. The no-smoking policy and rules extend to, but are not limited to, the management and leasing offices, building interiors and hallways, building common areas, dwellings, club house, exercise or spa facility, tennis courts, all interior areas of the community, commercial shops, businesses, and spaces, work areas, and all other spaces whether in the interior of the community or in the enclosed spaces on the surrounding community grounds. are harmful to the health, safety, and welfare of other residents inside any dwelling or building is also prohibited by this Addendum and other provisions of the Lease Contract.

5. SMOKING OUTSIDE BUILDINGS OF THE COMMUNITY.

Smoking is permitted only in specially designated areas outside the buildings of the community. Smoking must be at least 25 feet from the buildings in the community, including administrative office buildings. If the previous field is not completed, smoking is only permitted at least 25 feet from the buildings in the community, including administrative office buildings. The smoking-permissible areas are marked by signage.

Smoking on balconies, patios, and limited common areas attached to or outside of your dwelling is not permitted.

The following outside areas of the community may be used for smoking:

Even though smoking may be permitted in certain limited outside areas, we reserve the right to direct that you and your occupants, family, guests, and invitees cease and desist from smoking in those areas if smoke is entering the dwellings or buildings or if it is interfering with the health, safety, or welfare or disturbing the quiet enjoyment, or business operations of us, other residents, or guests.

Notwithstanding the above, if smoking is permitted, smoke may drift into your dwelling and you waive any right to a cause of action for a nuisance under U.C.A 78B-6-1101(3).

6. YOUR RESPONSIBILITY FOR DAMAGES AND CLEANING.

You are responsible for payment of all costs and damages to your dwelling, other residents' dwellings, or any other portion of the community for repair, replacement, or cleaning due to smoking or smoke related damage caused by you or your occupants, family, guests, or invitees, regardless of whether such use was a violation of this Addendum. Any costs or damages we incur related to repairs, replacement, and cleaning due to your smoking or due to your violation of the no-smoking provisions of the Lease Contract are in excess of normal wear and tear. Smoke related damage, including but not limited to, the smell of tobacco smoke which permeates sheetrock, carpeting, wood, insulation, or other components of the dwelling or building is in excess of normal wear and tear in our smoke free community.

7. YOUR RESPONSIBILITY FOR LOSS OF RENTAL INCOME AND ECONOMIC DAMAGES REGARDING OTHER RESIDENTS.

You are responsible for payment of all lost rental income or other economic and financial damages or loss to us due to smoking or smoke related damage caused by you or your occupants, family, guests, or invitees which results in or causes other residents to vacate their dwellings, results in disruption of other residents' quiet enjoyment, or adversely affects other residents' or occupants' health, safety, or welfare.

8. LEASE CONTRACT TERMINATION FOR VIOLATION OF THIS ADDENDUM.

We have the right to terminate your Lease Contract or right of occupancy of the dwelling for any violation of this No-Smoking Addendum. Violation of the no-smoking provisions is a material and substantial default or violation of the Lease Contract. Despite the termination of the Lease Contract or your occupancy, you will remain liable for rent through the end of the Lease Contract term or the date on which the dwelling is re-rented to a new occupant, whichever comes first. Therefore, you may be responsible for payment of rent after you vacate the leased premises even though you are no longer living in the dwelling.

3. SHORT TERM SUBLEASE OR RENTING PROHIBITED.

Without limiting the prohibition in the Lease on subletting, assignment, and licensing, and without limiting any of our rights or remedies, this Addendum to the Lease further supplements and defines the requirements and prohibitions contained in the Lease Contract between you and us. You are hereby strictly prohibited from subletting, licensing, or renting to any third party, or allowing occupancy by any third party, of all or any portion of the apartment, whether for an overnight use or duration of any length, without our prior written consent in each instance. This prohibition applies to overnight stays or any other stays arranged on Airbnb.com or other similar internet sites.

4. PROHIBITION ON LISTING OR ADVERTISING APARTMENT ON OVERNIGHT SUBLETTING OR RENTING WEBSITES.

You agree not to list or advertise the apartment as being available for short term subletting or rental or occupancy by others on Airbnb.com or similar internet websites. You agree that listing or advertising the apartment on Airbnb.com or similar internet websites shall be a violation of this Addendum and a breach of your Lease Contract.

5. VIOLATION OF LEASE AGREEMENT.

Your Lease Contract allows for use of your apartment as a private residence only and strictly prohibits conducting any kind of business in, from, or involving your apartment unless expressly permitted by law. Separately, your Lease Contract prohibits subletting or occupancy by others of the apartment for any period of

time without our prior written consent. Permitting your apartment to be used for any subletting or rental or occupancy by others (including, without limitation, for a short term), regardless of the value of consideration received or if no consideration is received, is a violation and breach of this Addendum and your Lease Contract.

6. REMEDY FOR VIOLATION.

Any violation of this Addendum constitutes a material violation of the Lease Contract, and as such we may exercise any default remedies permitted in the Lease Contract, including termination of your tenancy, in accordance with local law. This clause shall not be interpreted to restrict our rights to terminate your tenancy for any lawful reason, or by any lawful method.

7. RESIDENT LIABILITY.

You are responsible for and shall be held liable for any and all losses, damages, and/or fines that we incur as a result of your violations of the terms of this Addendum or the Lease Contract. Further, you agree you are responsible for and shall be held liable for any and all actions of any person(s) who occupy your apartment in violation of the terms of this Addendum or the Lease Contract, including, but not limited to, property damage, disturbance of other residents, and violence or attempted violence to another person. In accordance with applicable law, without limiting your liability you agree we shall have the right to collect against any renter's or liability insurance policy maintained by you for any losses or damages that we incur as the result of any violation of the terms of this Addendum.

8. SEVERABILITY.

If any provision of this Addendum or the Lease Contract is invalid or unenforceable under applicable law, such provision shall be ineffective to the extent of such invalidity or unenforceability only without invalidating or otherwise affecting the remainder of this Addendum or the Lease Contract. The court shall interpret the lease and provisions herein in a manner such as to uphold the valid portions of this Addendum while preserving the intent of the parties.

The existing, on-going, or future construction at the property includes:

Title/Description:

Anticipated Start Date:

Anticipated End Date:

To the extent allowed by state law or local ordinance, Resident further agrees that any inconvenience associated with the repair, renovation, improvement, or construction, such as, but not limited to, those disclosed herein, will not be deemed to give Resident any offset to rent obligations, or other compensation, nor will they be the basis for a complaint(s) or defense(s) against Owner for rent relief, constructive eviction, fitness and habitability, peaceful and quiet enjoyment, nuisance, or any other claim, right or remedy.

Resident hereby knowingly and voluntarily accepts the risks of delays and the apartment not being ready for occupancy on the date set forth in the Lease Contract. Resident agrees that Owner's failure to have the apartment ready on the set date in the Lease Contract due to a repair, renovation, improvement, or construction delay does not constitute a willful failure to deliver possession of the apartment. Resident hereby waives and relinquishes any rights, claims, or causes of action against Owner related to delays in delivering the apartment, including, but not limited to, any holdover rent, or other penalties imposed at Resident's current place of residence, provided however, that Owner agrees that rent will not commence under the Lease Contract until possession is delivered to Resident.

9. DISPLACEMENT. In the event Resident must be displaced from the apartment that is the subject of the Lease Contract due to repair, renovation, improvement, or construction in or around the apartment, Owner, at Owner's sole option, shall transfer Resident to another apartment within the apartment community that is not affected by the repair, renovation, improvement, or construction or shall provide appropriate comparable accommodations for Resident. However, in the event of Resident's displacement and subsequent re-location, the terms of the Lease Contract, including but not limited to the payment of rent shall remain in full force and effect.

10. SEVERABILITY. If any provision of this Lease Contract is invalid or unenforceable under applicable law, such provision shall be ineffective to the extent of such invalidity or unenforceability only without invalidating or otherwise affecting the remainder of this Lease Contract. The court shall interpret the lease contract and provisions herein in a manner such as to uphold the valid portions of this Lease Contract while preserving the intent of the parties.

3. The Utah Medical Cannabis Act (2018) permits the limited use of medical marijuana in specific and limited circumstances. However, this is not the case under federal law. Under federal law, specifically the Controlled Substances Act (CSA), marijuana is still categorized as a Schedule I substance. This means that under federal law, the manufacture, distribution, or possession of marijuana is strictly prohibited. Because the U.S. Department of Housing and Urban Development is controlled by the federal government, it agrees that the use of marijuana, whether prescribed for medical reasons or not, is a criminal offense and will not be protected under the fair housing laws. Therefore, management is not required to accommodate the use of marijuana by a tenant who is a current medical marijuana user. Disabled tenants who are registered medical marijuana users, however, should not feel discouraged to request reasonable accommodations if the need arises.

4. The Premises listed above follows and complies with federal law regarding marijuana use and is, and will continue to be, a drug free community. Possession, use, manufacture or sale of any illegal substance, including marijuana, or any use of marijuana by the tenant and/or guests will result in immediate termination. If you have any questions or concerns about this policy, please speak to management.

REQUIRED INSURANCE ADDENDUM TO LEASE AGREEMENT

This Addendum is attached to and becomes a part of the Residential Lease Agreement. For the duration of the Lease Agreement, Lessee ("Resident") is required to maintain and provide the following minimum required insurance coverage:

- 50,000 Limit of Liability for Resident's legal liability for damage to the landlord's property for no less than the following causes of loss: fire, smoke, explosion, backup or overflow of sewer, drain or sump, water damage, and falling objects.
- Resident is required to furnish Lessor ("Landlord") with evidence of Minimum Required Insurance prior to occupancy of leased premises, for the duration of the Lease and at the time of each Lease renewal. If at any time Resident does not have Minimum Required Insurance, Resident is in breach of the Lease Agreement and Landlord shall have, in addition to any other rights under the Lease Agreement, the right but not the obligation to purchase Minimum Required Insurance coverage and seek reimbursement from the Resident for all costs and expenses associated with such purchase.
- Resident may obtain Minimum Required Insurance or broader coverage from an insurance agent or insurance company of Resident's choice. If Resident furnishes evidence of such insurance and maintains the insurance for the duration of the Lease Agreement, then nothing more is required.
- If Resident does not maintain Minimum Required Insurance, the insurance requirement of this Lease Agreement may be satisfied by Landlord, who may schedule the Resident's unit in the Master Resident Liability Program ("MRLP"). The MRLP will satisfy the Minimum Required Insurance coverage listed above. An amount equal to the total cost of the MRLP and administrative fees shall be charged as additional rent to Resident by the Landlord. Some important points of this program, which Resident should understand are:
 1. MRLP is not personal liability insurance or renter's insurance. Landlord makes no representation that MRLP covers the Resident's personal property (contents), additional living expense or liability arising out of bodily injury to any third party. If Resident requires any of these coverages, then Resident should contact an insurance agent or insurance company of Resident's choice.
 2. The MRLP may be more expensive than the cost of Minimum Required Insurance obtainable by Resident elsewhere. At any time, Resident may contact an insurance agent or insurance company of their choice for insurance options to satisfy the Minimum Required Insurance under the Lease Agreement.
 3. The total cost to the Resident for the Landlord enrollment in the MRLP is Twelve Dollars and No Cents (\$12.00) per month.
- If Resident obtains Minimum Required Insurance or broader coverage from an insurance agent or insurance company of Resident's choice, Resident agrees to:
 1. Name the Property Name as an additional interest; and
 2. Name Confirm Insurance-Redstone as an additional interest:
 - P.O. Box 1159, Newport Beach, CA 92659
 - redstone@popicllc.com
 3. Submit a copy of the policy/declarations page to Redstone.ConfirmInsurance.com
- Enrollment in the MRLP is not mandatory, and Resident may purchase Minimum Required Insurance or broader coverage from an insurance agent or insurance company of Resident's choice, after which time enrollment in the MRLP will be terminated by the Landlord.

Resident agrees to pay Landlord this amount as additional rent and all other obligations in the Lease Agreement. Resident understands that any liability insurance Landlord purchases for itself under this section will not cover you for your loss or damage to your personal property—only a renter's insurance policy does this.

Special Provisions

6. Management shall be entitled to the Eviction Turnover Fee of \$50 for the work processing the paperwork to the attorney for an eviction after failure of the Resident to comply with any eviction notice. Resident shall be obligated to pay this fee once the work is done regardless of whether the eviction is filed.

10. Screens are on every window and Resident acknowledges that if screens are destroyed, missing or bent at any time, Resident will be charged the cost of replacement.
11. Failure to return a parking permit to Management at the end of lease term will result in a violation of their lease. If a parking pass is lost or stolen, Resident will be required to sign a new parking form and pay a parking pass set up fee. Resident acknowledges that Management may restrict, revoke or deny Resident's parking privileges at any time at Management's sole discretion.
12. Resident will abide by all posted rules concerning construction on property and take all necessary precautions to avoid zoned construction areas.
13. Resident shall be entitled to the non-exclusive use of the property's amenities specifically provided for Resident use, as made available by the Property. Resident is required to follow and uphold all posted rules. Failure to comply will be considered a lease violation. By using any such amenity, Resident acknowledges and agrees that they do so at their own risk. Ignorance of rules or proper use of amenities is not a reasonable defense. Further, Resident hereby agrees to properly instruct and supervise any occupants or guest(s) regarding the proper use and risks of the amenity and assumes all liability for the use of any and all amenities by themselves and their occupants and/or guest(s) and agrees to defend, indemnify and hold Management harmless.
14. Damages to the Property (including buildings, common areas, furniture, flooring, etc.) caused by Resident and/or their occupants or guests will be charged to Resident.
15. Any Resident(s) who leaves trash outside their apartment or in any common area, will be subject to a \$25/bag fee.
16. Posting fliers and/or soliciting is strictly prohibited and will be considered a lease violation. Management approval must be obtained to post any fliers, notices, ads, etc. in approved designated areas.

UTILITY AND SERVICES ADDENDUM

This is an Addendum to the Rental Agreement dated (the "Lease"), by and between **RedStone Residential**, solely as Agent for Owner (hereinafter "Agent") for the Owner of the Apartment Community known as **Valora**, (collectively hereinafter "Resident"), for the premises known as **D302, 1827 North 350 East, North Ogden, UT, 84414**, County of Weber County, State of Utah ("Premises"). To the extent that the terms of this Utility and Services Addendum conflict with those of the Lease, this Utility Addendum shall control.

1. Resident shall be responsible for the payment of utility and service bills, including charges for usage, deposits, and any charges, taxes, fees, administrative fees or costs associated with the utilities and services and related billing costs or billing, and the method of billing, metering, or otherwise allocating the cost and charges to Resident for utilities and services, is indicated below.

a) Water service to Resident's apartment and costs will be paid by Resident either:

Directly to the water service provider(s); or
The water service provider will bill Agent, and the Agent will allocate and bill Resident based on formula: 8

b) Sewer service to Resident's apartment and costs will be paid by Resident either:

Directly to the sewer service provider(s); or
The sewer service provider will bill Agent, and the Agent will allocate and bill Resident based on formula: 8

c) Trash service to Resident's apartment and costs will be paid by Resident either:

Directly to the trash service provider(s); or
The trash service provider will bill Agent, and the Agent will allocate and bill Resident based on formula: 3

FORMULAS / ALLOCATION METHOD KEY

- "1" – Per Occupant. Each Occupant is equal to 1 full occupant. 1 occupant = 1; 2 occupants = 2, 3 occupants = 3. The total number of occupants in Resident's unit is divided by the total number of occupants currently residing at the community, the result is multiplied by the total bill. This result is the utility or service cost per unit. This formula does pro-rate based on move-in date.
- "2" – Additional Occupants are 70% of an Occupant. The first occupant is equal to 1, and each additional occupant per unit is counted as 70% of an occupant. 1 occupant = 1, 2 occupants = 1.7, 3 occupants = 2.4, etc. Total costs for utilities and services is computed in accordance with Formula 1 above, except the total number of occupants per unit is computed in accordance with this paragraph. This formula does pro-rate based on move-in date.
- "3" – Per Unit. Each unit is billed equally regardless of the number of occupants or square feet, this item does pro-rate based on move-in date. The total bill for the utility or service is divided by the total number of occupied units at the community, and the result is the utility or service cost per unit.
- "4" - Flat Rate. Each unit is billed an equal flat rate per month regardless of number of occupants or square feet, this item does not pro-rate based on move-in date.
- "5" – Per Foot based on total occupied square feet. The total utility or service bill is divided by the total number of occupied square feet, and the result is multiplied by the square feet of each individual unit. This result is the utility or service cost per unit. This item does pro-rate based on move-in date.
- "6" – 50% Per Occupant/50% Per Foot. The total bill for a utility or service is divided by two to get one half the total utility or service cost. One half the total cost is divided by the number of occupants at the community, the result is the per occupant cost. The per occupant cost is then multiplied by the number of occupants in Resident's unit, and the result is the 50% per occupant cost. One half the total cost is then divided by the total rentable square feet at the community, the result is then multiplied by the square feet of each individual unit, the result is the 50% square foot cost per unit. The sum of the "50% per occupant cost" and the "50% square foot cost per unit" is the total utility or service cost per unit. This formula does pro-rate based on move-in date. For example, a \$5,000 total utility or service bill for a community with 450 occupants, and 250,000 square feet would result in the following bills for a 1,000 square foot unit based on the following occupancy: 1 occupant would pay \$15.56, 2 occupants would pay \$21.11, and 3 occupants would pay \$26.67.
- "7" – Meter Reading. Each unit is billed for the difference between the previous meter reading and the current meter reading for each units metered item.
- "8" – Per Occupant 60/30 – A similar billing to Per Occupant but it takes a ratio of the occupants into account. The first occupant in any unit equals 1 occupant; the 2nd occupant in any unit counts as 0.60 of an occupant; any unit with a 3rd occupant or more, each occupant will count as 0.30 of an occupant. 1 Occ = 1 Occ - 2 Occs = 1.60 Occs - 3 Occs = 1.90 Occs - 4 Occs = 2.20 Occs - 5 Occs = 2.50 Occs - 6 Occs = 2.80 Occs - 7 Occs = 3.10 Occs

2. If an allocation method or flat fee is used Agent, Owner, or their billing company will calculate Resident's allocated share of the utilities and services provided and all costs in accordance with state and local statutes. Under any allocation method or flat fee, Resident may be paying for part of the utility usage in common areas or in other residential units as well as administrative fees. Both Resident, Agent, and Owner agree that using a calculation, allocation formula or flat fee as a basis for estimating total utility and service consumption is fair and reasonable, while recognizing that the allocation method may or may not accurately reflect actual total utility or service consumption for Resident. Where lawful, Agent may change the above methods of determining Resident's allocated share of utilities and services and all other billing methods, in Agent's sole discretion, and after providing written notice to Resident. More detailed descriptions of billing methods, calculations and allocation formulas will be provided upon request.
